

# How to find your way to IDD

---

## Journey Description

---

### Address

Technische Universität Darmstadt  
Institut für Druckmaschinen und Druckverfahren  
Gebäude S1|10  
Magdalenenstraße 2  
64289 Darmstadt

Tel: +49 (0) 6151 – 16 – 2132  
Fax: +49 (0) 6151 – 16 – 3632  
Email: [office@idd.tu-darmstadt.de](mailto:office@idd.tu-darmstadt.de)

### Travelling by car

Coming from autobahn A5 from Frankfurt, Heidelberg or autobahn A67 from Mainz, Mannheim you reach the intersection “Darmstädter Kreuz”. Following the signage “Darmstadt Stadtmitte” (city center), via autobahn A672 you will reach the Rheinstraße.

There, you follow the signage “B26, Tunnel City-Ring and TU-Stadtmitte”, respectively. After about 3.5 km, you will come into a tunnel. Here, the Rheinstraße joins the City-Ring. Still following the signage, you turn left at the next traffic light. You continue further on the City-Ring in the direction of the castle. Take the right lane and pass the next traffic light (junction Landgraf-Georg-Straße / Schlossgrabenstraße). After about 100 m, you turn right into Alexanderstraße (sign: “TU-Stadtmitte, Nebenstrecke Dieburg”). Arriving at the next junction (distance approx. 250 m), you turn left into Magdalenenstraße.

You can find the IDD-building after about 50 m on the left behind a gate and courtyard.

Coming from Dieburg-Aschaffenburg via B26, you follow the signage TU-Stadtmitte and Stadtmitte (city center), respectively. You will pass the Ostbahnhof (east station), a gas station (“Jet”) and the hospital “Elisabethenstift”. Arriving at the castle (junction Landgraf-Georg-Straße / Schlossgrabenstraße), you turn right, follow B26 on the right lane and turn right again at the traffic light into Alexanderstraße (sign: “TU-Stadtmitte, Nebenstrecke Dieburg”). Arriving at the next junction (distance approx. 250 m), you turn left into Magdalenenstraße.

You can find the IDD-building after about 50 m on the left behind a gate and courtyard.

### Parking at IDD

Unfortunately, due to construction works, there are no parking spaces left on the premises of TU Darmstadt. Parking is allowed in the surrounding residential areas. However, empty parking spaces are usually hard to find. Therefore, we advise to use public parking garages in the city center. For example, “Q-Park am darmstadttium” (near convention center darmstadttium) or “Schlossgarage” underneath Karolinenplatz are in walking distance. You can find other locations on the map.

## Travelling by plane

Frankfurt airport is appr. 25 km away. From the bus stops in front of Terminal 1, a bus called „AirLiner“ (sign “AIR”) is going every hour, depending on the time of day also every 30 Minutes to Darmstadt main station. Every 30 Minutes, there is also a bus going to Dreieich-Offenthal (sign “OF64”), which you take to train station “S-Bahnof Dreieich-Buchsschlag”. From there, you change into train S3 going to Darmstadt main station.

How to get from Darmstadt main station to IDD, you can find in the section “Travelling by train”.

## Travelling by train

From Darmstadt main station (Hauptbahnhof), you can take different busses: bus route F (west entrance) or bus route H (east resp. main entrance) to stop “Alexanderstraße”. There, you walk approx. 50 m down the hill and turn right into Magdalenenstraße. After approx. 50 m, you turn left and pass the gate. The entrance of the IDD-building is across the courtyard opposite the gate.
